

The world's biggest EMS catalogue

NOW IN INDIA

The leading European producer of ambulance equipment, Spencer has been inventing solutions for emergency services since 1989. Functionality, safety, long span and performance are the keys of a range of more than 1700 products.

Now this range is closer to you.

India is one of the fastest growing market for EMS, and over the past few years, India professionals have become very discerning and very demanding in terms of affordable and reliable devices.

Spencer India is the answer to this request.

Spencer in the answer to emergency.
